Marija Thursday, June 2, 2011 4:30:21 AM GMT-12:00	Pa dobro, mozda su mislili da ne bi ni jednu, al kad vec mora onda...sta god da su izabrali
Jelena Slovic Thursday, June 2, 2011 4:00:06 AM GMT-12:00	Moram da prokomentarisem peticiju, neki ljudi su otkacili da ne zele nikakve doplatne markice, a onda su otkacili neke razloge za doplatne markice, stvarno bi bilo lepo da ljudi ovo ozbiljno shvate.
Milan Paunovic Thursday, June 2, 2011 2:57:05 AM GMT-12:00	Ma strasno bre, znaci koje sve nacine nece da smile da uzimaju pare! I po kojoj to logici crkvi treba vise para nego sirotistima i bolnicama! Ovaj narod je propao...
Jelena Radojin Thursday, June 2, 2011 1:22:58 AM GMT-12:00	Obaška što mi se gadi crkveni hara-bilo koji cilj da je u pitanju, želim da mogu SAMA da odaberem da li u dati pare, a ne da me bilo ko na to prisiljava. To je ista otimaina!
Jesuss Barbieri Wednesday, June 1, 2011 10:33:09 PM GMT-12:00	Nema gde da se pobegne. A sto ne bi pravili i peticiju da svaki stan ima svoj vodomer i toplovodomer, i centralnogrejometar, pa da placamo ono sto zaista i potrosimo.. Majku im lopovsku, slazem se.. Sto ne napravimo fabrike suncevih kolektora automobila na struju, tipa stojadin electric, i vetrogeneratora. Sve dublje tonemo u ovisnost od stranih energenata, i stranog novca.. Davimo se jel ne umemo da zbacimo tegove koji nas povlace dole. A tegovi su korumpirani politicari i investitori plackasi. I Crkve
Petar Ratkovic Wednesday, June 1, 2011 10:28:46 PM GMT-12:00	Ovde se nikad nista nece promeniti ... oduvek je neka kriza ... neki rat, zategnutost, neizvesnost ... OVDE PRAVILA IGRE NE POSTOJE i nikada nece postojati. Ovo sad konkretno pitanje sa markicama je kapljica u moru ... klasican namet. Pa zar ja kao neko ko radi i zaradjuje kako tako, ne mogu da biram kome cu da pomognem ... bolesno, bolesno
uros Wednesday, June 1, 2011 10:18:53 PM GMT-12:00	Zene koje ne stikliraju sigurne kuce!?? Skandal..
ratko Wednesday, June 1, 2011 10:18:32 PM GMT-12:00	ljudi, ne treba paliti iz ove zemlje, vec se treba boriti da se svest otupelog naroda podine ba visi nivo.
Petar Ratkovic Wednesday, June 1, 2011 10:16:36 PM GMT-12:00	i mladici sa dole navedenom ekipom

Petar Ratkovic

Wednesday, June 1, 2011

10:10:24 PM GMT-12:00

Povraca mi se bre od ove jebene lopovske zemlje ... mater vam lopovsku ... palim odavde prvom prilikom ... jebo vas vas Bog i dzizs i papa i maje i inke i horoskop ...
